NOTES

\*Jun 4 – 14: The school show version of the McGinley variety show will only be performed if a school has booked it. If there is no school, please funnel all audience patrons to the general admission show at 2:00.

We may decide to offer our 4:00 show, "CADA Presents..." before the GALA date in order to preview it in front of an audience. We will advise the Front Gate/Admin if we go ahead with this plan. We would slot it into the 2:00 time slot, where the McGinley variety show currently plays during the week.
